

Session-1

Assignment

1. Record a new session for base URL as <https://magento.com/> and then click on the icon to navigate to customer login page and then to Registration Page and automate all the fields.

Side file created in IDE:

MagentoApplicationT
estside

2. Please try to configure Internet Explorer browser and Chrome Browser. We will do the same in the session as well. But before that try to check on the exception you're getting.

Output:

While configuring Internet explorer and chrome browser and initially launching only the web browser was not able to any exception but while mentioning with a hyperlink to open IE empty page only opened and the hyperlink was not opening.
